Please notice, that a publication of the cost estimate is not allowed.

! Please, note that the final costs are depending on the treatment process and that possible complication may lead to an increase of these. !

If the costs are not paid completely or partly by a recognized go-to guy/third party (e.g. German health insurances with patience from EU/EWR-states of convention, embassy, associations), you will be obliged to pay the costs yourself.

Please, note that in case of self-payment you have to pay for the treatment costs before starting therapy via bank transfer. Please, pay attention to the processing time at the bank. Submitted foreign checks are not accepted.
