Cost proposal for cardiac catheterization and complex operation of the congenital heart disease, Fontan surgery in the Department of Thoracic-Cardiac Surgery, Division Pediatric Cardiac Surgery, University Hospital Münster at Prof. Malec

Dear Mrs. Wieck,

Thank you very much for your interest in our medical service.

Cost estimation and additional service:

The expected costs of cardiac catheterization and complex operation of the congenital heart disease, Fontan surgery in the Department of Thoracic-Cardiac Surgery, Division Pediatric Cardiac Surgery, University Hospital Münster at Prof. Malec amounts to 38.400,00 €.

Important:

The previous and following cost calculation is based on the present medical information, which is provided to us. We expressly point out that in case of any complications or other unforeseen illnesses, we have to recalculate this budget in consideration of additional treatment performed. The difference is to be paid by the patient. These costs are established in accordance with the guidelines of German accounting systems for medical performances and may - in individual cases - exceed the estimate. Further treatments, which exceed the medical order, but are necessary for the patient, will be only carried out after consultation with you and on advanced payment. The time of admission depends on our bed availability.

Deposit:

If you wish medical treatment in the UKM an amount of 38.400,00 € has to be deposited as security at the University Hospital of Muenster and remitted to the following bank account prior to treatment:

Deutsche Bank	
IBAN:	
BIC/Swift:	DEUTDE3B400
Beneficiary:	Universitätsklinikum Münster
Intended purpose	Poliszuk/85228560/69080528

Admission date:

As soon as the amount is booked onto the UKM account, admission date can be arranged with the Clinic.

Settlement of account:

Once the treatment has been completed we will provide the final settlement and any outstanding money will be refunded. The structural costs cover the required ancillary services that are associated with the hospital treatment. These primarily consist of supporting patients with regard to the admission formalities of ensuring that transport that is appropriate for the particular situation of the patient is provided, helping patients on the spot, assisting with billing questions and formalities and, if necessary, providing the services of an interpreter. By paying the patient agrees to our terms. If you prefer to pay cash at the fund of the UKM we have to advise you to the cash regulation of the Federal Republic of Germany. It is allowed to bring up to 10.000, - € cash into the Federal Republic of Germany without declaration at the customs.

Please send us the financial instructions for transfer the overpayments to your bank account. Therefore we kindly ask you to provide your bank details to arrange an electronic money transfer. We will need your IBAN-No and the SWIFT/BIC-Code.

Miscellaneous:

The legal representatives and escort of the patient must ensure at his or her own cost that the visa formalities for the entry of patients and escorts into the Federal Republic of Germany have been adhered to. The provision of food and drink for the escort during his/her stay in Germany as well as all the costs incurred and connected to the stay of the escort in Germany respectively are not the responsibility of the UKM and are to be organized and financed by the escort.

This cost proposal is valid for 6 months. If you have any further questions please contact us.

Yours sincerely

International Patient Management
University Hospital Münster
