**Re: Confirmation of Receipt of Funds for Aaliya Abbas Rizvi**  
(Anterior Cranial Vault Remodeling Surgery)

Please accept this letter as an approximate estimate of the financial information you requested regarding future surgeries for your daughter daughter Zoya Marianowska. In order to provide you more accurate figures, our office would need to submit requests to each individual provider of service and wait on a response (this process can take approximately 4-6 weeks to gather information from all parties). \*\*\*\*\* **Please note, the discount rates offered below are only extended to individual families paying out-of-pocket for services - the discounts are not intended for or extended to insurance companies or any other business entities.**\*\*\*\*\*

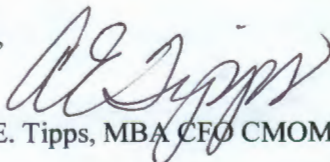

Please understand **these are estimates only based on the information we have available at this time.**  
Notice: These fees are subject to change.

The best estimate I can offer at this time is below, (Please be advised, the estimate for the **Functional Osteotomies of the one hand and both feet does not include financial information for the hospital**). All other estimates are based on historical information we have from past patients that have undergone the same or similar surgeries your daughter will require.

<u>Surgery Description</u>	<u>Estimated Full Cost / Estimated Discount</u>
LeFort I Osteotomy (Skeletal)	\$400,801.00 / <b>\$86,000.00</b>
LeFort III Midface Advancement	\$248,866.00 / <b>\$78,000.00</b>
Anterior Cranial Vault Skull Expansion/Palate Closure	\$215,561.00 / <b>\$52,000.00</b>
Posterior Cranial Vault Skull Expansion	\$200,830.00 / <b>\$46,000.00</b>
Functional Osteotomies (Hand & Feet)	<b>\$61,000.00</b> (Notice: This estimate is for Dr. Fearon and the Anesthesiologist only and <b>does not include Medical City Dallas Children's Hospital</b> ).

If you have any further questions regarding this information, please do not hesitate to contact our office.

Sincerely,

Alondra E. Tipps, MBA CFO CMOM / Practice Administrator
